NO. 38.

Democratic City Convention.

In response to a call made by the City Democratic Committee, the Democrats of Clay City assembled in convention in the Council Chamber of said city at 8 p. m. Sept. 11, 1903.

The meeting was called to order by Chairman C. W. Barnett, who, having stated the object of the convention, namely, to select candidates for Councilmen for Clay City to be voted for at the coming municipal election in November, vacated the chair in favor of Dr. R. A. Irvin who was elected by the body permanent chairman. Durrett White was made secretary.

Chairman Irvin, in a brief but eloquent speech, accepted the honor thus conferred upon him by the loyal Democrats of this city and at once proceeded to direct the business of the convention.

On motion of Stephen Rose which carried, the chair proceeded to appoint a committee of three to divide the city into imaginary wards for the convenience of selecting candidates. This committee consisted of the following gentlemen, viz: C. C. Daniel, W. T. Stringer and C. W. Barnett.

Whilst this committee was deliberating, the convention was entertained by short but timely talks from a number of prominent Democratic speakers.

The committee on wards or precincts reported a division of the city into three wards. This report was adopted and Chairman Irvin

proceeded at once, as a result of motion made and voted, to name a committee on selection of candidates from said wards as previously mentioned. This committee consisted of Messrs. F. M. Hutchinson, C. C. Daniel and Wm. Mountz, Sr. The committee reporting presented the following names for nomination, to wit: D. R. Daniel, B. Littlepage, J. B. Derickson, B. Patton, J. W. Williams, C. W. Barnett, H. C. Warmouth, J. E. Burgher, S. D. Rose, Durrett White, W. T. Stringer, A. R. Goosey, Noah Rose.

A ballot being taken resulted in the following nominations:

D. R. Daniel, B. Littlepage, C. W. Barnett, H. C. Warmouth, D. White, Noah Rose.

On motion of Judge W. T. Webb, it was voted certificates of election to candidacy be presented to each of the foregoing, signed by the chairman and secretary of this convention.

The CLAY CITY TIMES was fittingly recognized by this convention as the official organ of the Democratic party in Powell county.

It was ordered that a certificate of the foregoing nominations be presented the County Clerk of Powell and that the names of said candidates be placed upon the ballots, under the Democratic devise, the rooster, to be voted for in the November election for 1903. By unanimous vote the proceedings of this convention were ordered published in the next issue of the CLAY CITY TIMES.

Reaffirming allegiance to the sacred principles of Democracy and avowing an unalterable determination to support the recognized exponents of its political faith in city, county, state and nation, the convention adjourned amid a feeling of perfect concord and harmony.

DURRETT WHITE, Secretary.

Riddell and Roberts.

The Democrats of the 23rd judicial district met in convention at Beattyville Tuesday and nominated Judge Robt. Riddell, of Irvine, for Circuit Judge and J. K. Roberts, of Lee county for Commonwealth's Attorney. The pair constitutes a strong ticket.

A Boy's Wild Ride For Life.

With family around expecting him to die, and a son riding for life, 18 miles, to get Dr. King's New Discovery for Consumption, Coughs, and Colds, W. H. Brown, of Leesville, Ind., endured death's agonies from asthma; but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night." Like marvelous cures of Consumption, Pneumonia, Bronchitis, Coughs, Colds and Grip prove its matchless merit for all Throat and Lung troubles. Guaranteed bottles 50c and \$1.00. Trial bottles free at Swann-Day Lbr. Co.'s store.

Big Damage Suit Against L. & E.

Mrs. Alice H. Beckley, of Lexington, has brought suit against the L. & E. road for \$25,000 damages by reason of the death of W. G. Beckley, whom plaintiff alleges was killed on the 8th day of October, 1902, by gross negligence and carelessness of said company. Beckley was employed as a brakeman.

Bucklen's Arnica Salve.

Has world-wide fame for marvelous cures. It surpasses any other salve, lotion, ointment or balm for Cuts, Corns, Burns, Boils, Sores, Felons, Fever Sores, Chapped Hands, Skin Eruptions; infallible for Piles. Cure guaranteed. Only 25c at Swann-Day Lbr. Co.'s.

Mr. John Shepherd has in his possession a day book kept by the Red River Store, or the company store of the forge which was operated on Red River where Clay City is now located. In the year 1823. Here is how some of the patrons are charged with the necessities of life.

To 2 lbs coffee \$1.50, 2 lbs. sugar 57c, 1 pair cotton socks \$1, 1 qt. molasses 75c, 1 lb powder 25c, 6 yds. calico \$3.75, 1 pair mittens 75c, 6 yds. factory cotton \$3.75. Whisky was sold at 25cts. per gallon, and home-made cigars were taken in exchange for goods at \$1.25 per thousand.

Fearful Odds Against Him.

Bedridden, alone and destitute. Such, in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with Kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies, "I'm on the road to complete recovery." Best on earth for Liver and Kidney troubles and all forms of Stomach and Bowel Complaints. Only 50c. Guaranteed by Swann-Day Lumber Co.

Irvine Items.

[Irvine Herald.]

Robt. R. Friend left for Danville, Ky. Tuesday to enter the College of law at that place.

A scoundrel that will poison his neighbor's dog would not hesitate to set fire to a house. With this fact in view, the man who has been so lavish with his drugs in Irvine lately, should be found out.

Foreman Jones with a considerable crew of men have begun repairing the mill and booms of the Kentucky River Poplar Co. at this place for the coming run, which is expected to be the largest the mill has ever had.

Business is prosperous at Miller's Creek. Over one hundred thousand ties and an immense quantity of tan-bark is piled up along the railroad track, and the company is unable to furnish cars sufficient to ship as fast as it is hauled in from the woods.

Town Marshal Wm. Heather has resigned, and Irvine is now without an officer. It is hoped that our city dads will not delay in securing another man, as some shooting occurred on the streets the first night after Mr. Heather resigned.

In this connection we suggest that steps of some sort be taken by the county officials to put a stop to the shooting along the railroad and the pike in East Irvine.

Congressman Vincent Boreing died at his home in London, Ky. with pneumonia.

What is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangements of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly re-adjusts this. It's gentle, yet thorough. Only 25c. at Swann-Day Lbr. Co.'s store.

Farm For Sale.

Ninety acres of good land well improved, at Lilly's Ferry, one mile west of Spout Spring. Well watered, fine orchard, good dwelling of six rooms and all necessary outbuildings. Good neighborhood and other conveniences. Will sell at a bargain. ALLEN OSBORN, Spout Spring, Ky.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

ANNOUNCEMENTS.

FOR REPRESENTATIVE.

We are authorized to announce ALBERT EASTER, of Powell county, candidate for Representative of the 73rd Legislative district composed of Estill and Powell counties, subject to the action of the Democratic party.

Mr. Henry C. Witt, who was persecuted and so unjustly and unfairly beaten out of the Republican nomination for Circuit Clerk in Estill county, is out in a card defending his strong partisan principle. He says his friends will do him an injustice by not supporting the nominee. By taking this stand, Mr. Witt displays an unusual amount of patience and places himself in the small minority that will mourn and sympathize with the Republican nominee after Nov. 3. His action now seems to substantiate some accusations made for some time, and is a strong helper for the nominee of the masses, to wit: Thos Williams.

Thos. Williams was nominated for Circuit Court Clerk at Irvine Monday by the Estill Democrats. Mr. Williams is very popular with both parties, though there is no better Democrat, and will win at the November election like a top. We heard a very prominent Republican of Forks precinct say that Mr. Williams was the poor man's friend, and that he and half of the Republican party of the Forks would vote for him. This with the Democratic vote of the county alone will put Mr. Williams in, but as the same condition prevails in the other precincts his success is doubly sure.

Governor Beckham will speak at Mt. Sterling next Monday the 21st. Clay City will send over a good delegation, and those who failed to attend the rally at Winchester will take advantage of this opportunity to hear the Governor address the people. He is drawing great crowds where ever he goes, and is winning votes every day in the week.

What do you think of the Democratic municipal ticket nominated for Clay City Friday night? There was no slate, no understanding and "no nuthin'" but fairness and harmony. The ticket could not have been beaten in ten years. Every Democrat in the town is out and out for the ticket.

Kentucky under Democratic rule has paid off a bonded debt of \$1,000,000 and at the end of the year will have a million and a half balance in the treasury. Compare this with the condition of the State at the end of Republican four years ago.

Our city ticket is a winner.

AN ADDRESS TO VOTERS OF KENTUCKY

Issued by State Committee

- on -

CONSTITUTIONAL AMENDMENT.

Gentlemen: At a Commercial Convention of the State of Kentucky, held in the city of Louisville on the 2d, 3d and 4th days of June, 1903, the undersigned were appointed a committee for the purpose of bringing the amendment to the constitution of the state which is to be voted upon at the November election this year, to the attention of voters of all parties in the state, and obtain for it the necessary number of votes to secure its adoption. The amendment is purely a non-partisan measure, vitally affecting the interests of all citizens of the state, no matter what their party affiliations or occupations may be, or where their places of residence are situated.

The beneficial effects which will follow the adoption of the amendment are so vast that they can hardly be estimated. The evil that will result, if by any chance the amendment should fail of adoption, will be disastrous in the extreme to the best interests of the state.

The adoption of the amendment will not change in the least the present system of taxation in Kentucky for state and county purposes, as it applies only to taxes levied by cities and towns for their own local purposes.

The manufacturers, merchants and financial institutions in the cities and towns of our state are now tremendously handicapped in competing with those in other states by the provision of our state constitution which requires the same ad valorem taxes to be levied on all personal property by cities and towns, for their local purposes, as is levied by them on real estate within their boundaries.

This provision does not exist in other states in which the competitors of our manufacturers, merchants and financial institutions are located, so that our people in these lines of business are at a great disadvantage in competing with those of other states, and the result is that our existing industries do not grow as they should, new industries are not established in our state in as large number and importance as in other states which do not possess anything like our natural advantages, but in which taxation is not nearly so burdensome and onerous as in Kentucky.

The provision of our constitution which the amendment, after its adoption, will cure, also operates to drive capital from our midst, and compels that which remains with us to charge us higher interest rates when we borrow money than we would have to pay if money used in banking and financial operations was not taxed so exorbitantly for municipal purposes.

Farmers and country merchants of Kentucky, don't make the mistake of thinking the adoption of this amendment of the constitution will not beneficially affect you.

If you want existing factories in our towns and cities to grow, so as to give employment to more men; if you want new industries to be established, employing still more men; if you want more consumers for your farm products and more buyers at your counters; if you want lower interest rates when you borrow money; if you want to lessen your state and county taxes; in a word, if you want as much prosperity throughout the length and breadth of our grand old commonwealth as prevails in other states, then vote for the amendment, and get your neighbors to vote for it.

Every existing factory enlarged, and every new factory brought into Kentucky through this amendment to our constitution, means

Lower State and County Taxes, for all the property thus brought in will go to swell the assessments for state and county purposes, which will enable the rate to be reduced.

Let the amendment be adopted by an overwhelming vote in its favor.

The Democratic ticket is a winner in Powell from Governor down.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous service.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Dr. Miles' Heart Cure Effectively Cured.

Heart disease is curable, but in people of advanced age it does not readily lend itself to ordinary treatment. There is, however, hope for all sufferers in Dr. Miles' Heart Cure, which we know from watching hundreds of cases and from the letters of grateful sufferers, will cure where all else has failed. It is not only a wonderful cure for weak and diseased hearts, but it is a blood tonic, a regulator of the heart's action and the most effective treatment ever formulated for improving the circulation of the blood.

"During the Civil war I contracted heart disease, and in 1866, while living in the grand old town of Lexington, Va., I grew so much worse, I left there with my wife to visit my sister-in-law, Mrs. T. A. Kirby, at Roanoke, Va. While I said nothing to anyone I never expected to live to return to the dear old town. On reaching Mrs. Kirby's she insisted I should try Dr. Miles' Heart Cure. I procured a few bottles of it, also the Nervine and Tonic. After using one or two bottles, I could see no improvement, and I despaired of ever being better, but my faithful wife insisted on keeping it up, which I did. Improvement soon began in earnest and I took in all fifteen or sixteen bottles. I was restored to perfect health and while I am 70 years old, I am comparatively a boy. You sir, are a benefactor, and I cheerfully recommend Dr. Miles' Heart Cure to suffering humanity." —J. L. SLAUGHTER, Salem, Va.

The Proper Treatment for a Sprained Ankle.

As a rule a man will feel satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and it is usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. For sale by all dealers in patent medicine.

Ows His Life to a Neighbor's Kindness.

Mr. D. P. Daugherty, well known throughout Mercer and Summers counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by all dealers in patent medicine.

The Clay City National Bank has another fine statement in this issue. There is over \$103,000 on deposit at this bank which shows that the people have confidence in this institution, which is now classed as one of the solid institutions of the State.

A Remarkable Record.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by all dealers in patent medicine.

A letter from Prof. W. R. Eu-
bank, now principal of the Midway City School, says he is pleased in his new location. He expresses a kind remembrance for Clay City people and hopes to be with us again, if for only a brief time. He has been teaching for the past two weeks and is getting along nicely with his school.

His Life Saved by Chamberlain's Colic Cholera and Diarrhoea Remedy.

"B. L. Byer, a well known cooper of this town, says he believes Chamberlain's Colic Cholera and Diarrhoea Remedy saved his life last summer. He had been sick for a month with what the doctors call bilious dysentery, and could get nothing to do him any good until he tried this remedy. It gave him immediate relief," says B. T. TAROLEUM

A scientific chemical preparation
For Curing Diseases
of Horses Feet

Stimulates a natural healthy growth, removing inflammation and soreness.

TAROLEUM will mix with water in all proportions, consequently does not exclude the natural moisture from the foot. This will be appreciated by thoughtful horsemen.

AS A DRESSING—Paint the feet all over twice a day, and polish with a brush if you want the shine.

HOOF-PACKING.—Wet up a sufficient quantity of Oil-Meal with one part of TAROLEUM to fix particles of water and bind the foot. This packing will soften hard contracted feet quickly, removing the inflammation and soreness.

GLOUCESTER, Mass., June 21, 1903.
W. F. YOUNG, D.P.F.

If you have used your Taroleum and can recommend it to all horsemen as a first-class hoof-dressing I have used it with success as a packing for horses feet and can assure you the results were all.

Yours truly,
JAMES H. TAN.

The Democrats of Kentucky are proud of their record and are willing to go before the people on it. They have nothing to conceal, but invite the most searching criticism. In the entire record there is nothing to be kept back, nothing to be hidden. There is no attempt to resort to subterfuge to divert the attention of the masses from any issue. Every page of Democratic history is like an open book and Democrats are desirous that the public should investigate for themselves and not to accept the second-hand, colored and doctored reports of its enemies who have no issues of their own but that of murder upon which to go before the people.—Winchester Democrat.

October Number—New Idea Woman's Magazine.

The subject of bees and their treatment is such a picturesque theme that the article entitled "The Apiary," in the series of "Profitable Industries for Women," by Sarah E. Slater in the October issue, cannot fail to command the widest attention from agriculturists and everyone interested in the community that inhabits a hive. This is only one article, however, from a table of contents including forty-four items, covering every phase of a woman's varied interests. The fashions, rules for cookery, newest fads and current events, are all up-to-date and most reliable and the New Idea patterns, as exploited in the large fashion plates, are immensely attractive. Every woman needs in every month.

Irvine, Ky., Sept. 14, 1903.
It has been reported throughout the county by some unknown persons that I and my friends were against Jas. A. Wallace, the Republican nominee for clerk of the Estill Circuit Court. I want to say to the Republican voters of Estill county that I am for Jas. A. Wallace, the nominee, and will vote for him and do all in my power to elect him, and I now ask all my friends to do the same, as it would be injustice to me for my friends to do otherwise, and I ask that this statement be published to the world to show how I stand in the matter.

PORTLAND, MAINE, Oct. 17, 1902.

I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Palms would shoot through my neck and sides, and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agony I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.
